

House of Hope

A Ministry of First Baptist Church Merritt Island

December 11, 2019

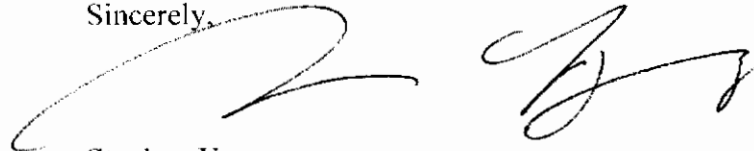

Island Pointe Condominium
470 Sail Lane
Merritt Island, FL 32953
Attention: Ms. Jackie Huelskamp, Office Manager

Dear Ms. Huelskamp,

On behalf of the over 850 families we are still assisting every Monday, we are humbly grateful for the generous gift of non-perishable food items donated to us by the members of Island Pointe. One of your residents, Ms. Carolyn Mccort, thoughtfully provided festive collection bins in each of your 4 buildings, and the outpouring of love from your community was incredible. Although our economy continues to improve, we are still assisting families and homeless individuals struggling to gain the financial benefits. As an all-volunteer organization, we are deeply appreciative of all donations we receive each year in support of this community outreach.

As the year closes and we all look ahead to the coming year with joyful anticipation, we wish the entire Island Pointe community's families and loved ones a truly blessed year. While you may never fully comprehend the numbers of people benefitting from your gift, we want to extend our gratitude from those who cannot personally thank you for your kindness.

Sincerely,

Stephen Young
Executive Director
House of Hope
